CUBAmistad

CUBAmistad is a sister-city project linking Bloomington, Indiana and Santa Clara, Cuba with the goal of encouraging dialogue and understanding between citizens of Cuba and the citizens of Bloomington.

What We Do

Created in 1999, CUBAmistad believes in people-to-people democracy. We think it is possible to improve our relationship with Cuba by improving our relationships with Cuban people.

Our activities are largely educational; films, art, music, and lectures. We participate in cultural exchanges by welcoming Cuban visitors and through occasional visits to Cuba.

In 2023, we organized a campaign that led to the Bloomington City Council unanimously passing a *Resolution to Seek an End to the United States' Economic, Commercial and Financial Embargo Against Cuba.*

Get Involved

Membership is open to anyone interested in contributing to the friendship (amistad) between North Americans and Cubans. Members are subscribed to the CUBAmistad email list, and are eligible to join delegations to Santa Clara.

To join, fill out the form on the back of this page, and send it to the address provided. You will be contacted and invited to join the next meeting.
